Amazon

UX Designer Intern

Alexa Shopping

June '21 - August '21 | Seattle, WA

Interned with the Alexa Shopping design team during the summer of 2021 in Seattle, WA. I worked on multiple consumer facing voice and touch customer experiences for Alexa devices, including the launch of a Kindle Unlimited multi modal CX on all echo devices.

UX Designer I

Search & Conversational AI

August '22 - Present | Seattle, WA

Joined as a full time designer my internship and graduation, where I've worked on various mobile projects on the Amazon app. Which includes the 2024 launch of Rufus, a generative AI-powered shopping assistant.

Google Pay x SCADpro

Prototyping Lead

SCADpro Course

September '21 - November '21 | Savannah, GA

I completed a SCADpro collaboration course with the design team at Google Pay in Fall 2021. I worked in a team of 15 other SCAD students under the guidance of Google to research, develop, prototype, and test designs focusing on how underrepresented groups are managing their money in the U.S.

Savannah College of Art & Design

User Experience Design

BFA

2019-2022 | Savannah, GA

Graduated from SCAD with a bachelors of fine arts in user experience design. I finished with a 3.9 GPA, Deans List Honors, SCAD Honors Scholarship, and the SCAD Achievement Honor Scholarship.
